

Hello Everyone!

Hope you are enjoyed this lovely day.

Here are the minutes of the July meeting...

- Mike McCabe started the virtual meeting of the Astronomical Society on July 1st with 18 members and friends present.
- Mike opened the meeting with introductions and a brief review of the June activities.
- Some tips and tricks for viewing nebulous objects in Cygnus was the focus presentation.
- Several members discussed their experiences with the objects presented.
- A brief conversation took place about the planned dark sky observing event in Vermont. (in August)
- Following some open forum discussion, the meeting was adjourned at 8:00.

Have a great week, everyone,

Best,

Judy
